Sir,-

Sec. 4 Tp. 53 Rge. 7 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Ref. #163113.

OTTAWA, 20th of January, 1929.

To: The Natural Resources and Intelligence Service

Sir,-

N.W. 1 Sec. 28 Tp. 44 Rge. 27 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

William A. Carson, Esq.,
Mill City,
Oregon,
U. S. A.

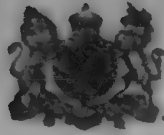

Your obedient servant,

P.S. A copy of your letter is being sent to the Natural Resources Intelligence Branch of this Department, who will furnish you with a homestead map of the Peace River district, which map you will no doubt receive in due course.

Department of the Interior

DOMINION LANDS ADMINISTRATION

Copy to A.D.L. Edmonton,
Ref. 133714.

OTTAWA 6th August 1930.

Sir,-

Lot 1. Sec. 11 Tp. 59 Rge. 22 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

MALCOLM ADAM, Esq.,
Edmonton,
Alta.

Commissioner of Dominion Lands.

Note: This authority is valid only in the province of Alberta

As security for these advances liens were filed against the above described land which, however, was taken under Tax Recovery proceedings and the liens were eliminated.

The debtor was allowed to retain the chattels he gave as collateral security for the Joint Relief and has endeavored to eek out a livelihood farming one rented property after another. He has, however, met with indifferent successes owing, doubtless, to the arid nature of the District.

The chattels now are valueless and as the personal covenant is of no value either I can see no good purpose to be served by the retention of this account which I shall recommend be written off in its entirety.

CONSULATE OF NORWAY,
FOR CANADA.

J. No. 1816/14.

MONTREAL, November 28th, 1914.

Sir,

I have the honour to apply to you in the following matter:-

Through the Royal Norwegian Foreign Office I was sometime ago appointed Attorney for Mrs. Gea Krogh of the City of Roros, Norway, widow and sole heir of the late Mr. Carl Krogh, who had taken out a homestead in Alberta, namely East half Section, 31-14-20, West of 4th Meridian. On the strength of the Power of Attorney thus given me, I asked the Trusts and Guarantee Company of Calgary to protect the interests of this estate as my substitute, which they undertook to do. Some of the improvements required on the land in question have been performed, but owing to a scarcity of funds the said Company has not been able, within the specified time, to complete all the duties concerned. At the request of the Company I wrote some time ago to the Home Authorities, requesting them to find out whether the beneficiary was in a position to advance the necessary money to cover the expenses of improving the land as prescribed. However, owing to the war conditions and the consequent delay of the mails, no reply so far has been received from Norway, and I cannot say, when such a reply will be forthcoming. Meanwhile the Trusts & Guarantee Company has forwarded to me copy of your letter to them of the 19th September last, File No. 2149165 1778422, from which it appears that cancellation proceedings have been instituted by the first of this month.

Under the circumstances as explained above I should be much obliged, if you please could see your way clear to have the cancellation proceedings held over until further notice, so as to allow time for the necessary reply to arrive from Norway. Provided you may see fit to comply with this request of mine, I presume you would send the

Deputy Minister of the Interior,

O t t a w a.

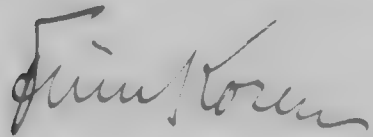

necessary instructions to the Agent of the Dominion Lands at Lethbridge, who I understand have to do with this matter.

Asking you to please give this matter your kind consideration and anticipating the favor of your reply at an early date,

I have the honour to remain,

Sir,

Your obedient servant,

ROYAL NORWEGIAN CONSUL
FOR CANADA.

The debtor was unable to succeed in his farming operations in this territory and after endeavouring to carry on for seventeen (17) years he moved from that locality with a view to re-establishing himself elsewhere and eventually met with a small degree of success in the vicinity of Pincher Creek. He now wishes to relieve himself of all responsibility under the personal covenant and has tendered twenty-five dollars (\$25.00) in this connection.

The debtor is now a man well over sixty years (60) of age and consequently all of his resources will be required to provide for himself for the balance of his lifetime. He also states that no returns have been received from the above property since 1929 as a result of the drouth conditions and the depression.

I would recommend that upon application of a sum of twenty-five dollars (\$25.00) to the Dominion loan this individual be relieved of any further responsibility under the personal covenant, the balance of the advances being retained as a charge against the loan until such time as further application for settlement has been received.

Yours very truly,

Your file No. 1778424

I am in receipt of your letter of the 26th ultimo, and would advise that the NW $\frac{1}{4}$ 22-11-8-W.4th Mer., is patented land, and does not come under the jurisdiction of this Department.

The SW $\frac{1}{4}$ 22-11-8-W.4th Mer., at present is included in Grazing Lease No. 33786. This lease expires on the 1st of January, 1968.

The above land is outside of the homestead lease area, and it is not likely that it will again be used for farming purposes.

Re: Account of Albert Leamon Ensign
N.W. 22-11-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1911 and 1915 seed grain, fodder and relief amounting to \$469.40 were advanced to Albert Leamon Ensign on the security of the above mentioned land. Payments of \$91.95 and \$25.00 were received in 1916 and 1947, respectively and applied to the principal and interest. The present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 383.04 | \$ 682.87 | \$ 1,065.91 |

Patent was issued in the name of Albert Leamon Ensign for the N.W. 22-11-8-W4 on the 2nd of February 1914, subject to the 1911 lien. The S.W. 22-11-8-W4 was formerly the pre-emption of the debtor whose entry was later cancelled and the land is still Crown Land held in the right of the Province.

The debtor was unsuccessful in his farming operations in this territory and in 1929 he abandoned his homestead and moved to another locality with a view to re-establishing himself elsewhere. The N.W. 22-11-8-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Bow Island No. 13.

The Municipality has been unable to dispose of the N.W. 22-11-8-W4 by sale. It is still vacant and no longer assessed as of any value or subject to taxation. The S.W. 22-11-8-W4 is presently under the jurisdiction of the Department of Lands and Forests, and it is presently included in grazing lease No. 33786 which expires on the 1st of January 1968. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

I beg to send you herewith, duly executed, a notice authorizing and requesting you to remove from all the records of your office and the title to the above described land the liens for \$28.05, \$180.15, \$58.90, \$140.90, \$21.80, \$25.00, \$ 14.60, \$ 138.55, \$ 131.65, covering advance made to

The S. 2, 22-11-8-4, 4th was apparently the debtor's re-emption entry of 2nd mortgage which was cancelled, as in 1931 this land was registered with no entry extant.

Taxes were allowed to accrue on the S. 2, 22-11-8-4, 4th with the result that title was taken by the municipality in 1946 under the provisions of the Tax Recovery Act. A sale has not been negotiated for the sum of Ten thousand dollars (\$2,000.00) which the district recommends to be the fair sale value of this property. This would appear to be in order in view of it's location in a township which has been declared eligible for awards 11 years out of the 17 in which awards have been granted under the Prairie Farm Assistance Act.

There are no tax arrears outstanding apparently having been satisfied from the proceeds of rentals. It is my recommendation that the proceeds of the sale be distributed on a pro rata basis between the Dominion and Joint Relief Liens, first allowing a nominal sum of five dollars (\$5.00) to cover costs. The allocation of the proceeds will be as follows:

| | |
|--------------------|-----------------|
| Costs | \$5.00 |
| Dominion Liens | 1,169.98 |
| Joint Relief Liens | 825.02 |
| | <u>2,000.00</u> |

As no further security remains I further recommend that the balance remaining of both accounts be written off and liens discharged.

Provincial Seed Grain Advances of six hundred and three dollars and ninety-two cents (\$603.92) together with accrued interest have already been cancelled.

Yours very truly,

REPORT NUMBER 11. 11. 132 (Amended)

Re: Albert Leason Assize
Joint Relief Advances
22-11-8-4th.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated July 16th, 1943, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

The S. 22-11-8-W.4th was apparently the debtor's pre-emption entry of
2nd homestead which was cancelled, as in 1913 the land was unpatented with no
entry extant.

Taxes were allowed to accrue on the S. 22-11-8-W.4th with the result
that title was taken by the municipality in 1948 under the provisions of the Tax
Removal Act. A sale has now been negotiated for the sum of Two thousand dollars
(\$2,000.00) which the district represents to be the fair sale value of this property.
This would appear to be in order in view of its location in a township which has
been declared eligible for awards 11 years out of the 13 in which awards have been
granted under the Prairie Farm Assistance Act.

There are no tax arrears outstanding apparently having been satisfied from the
proceeds of rentals. It is my recommendation that after application of the sum of
Two thousand nine hundred and ninety-five dollars (\$2,995.00) representing the
proceeds of the sale of the S. 22-11-8-W.4th after allowing the usual sum of Five
dollars (\$5.00) to cover costs, on the above account, same be so adjusted that it will
be paid in full.

Provincial Seed Grain Advances of Six hundred and three dollars and ninety-two cents (\$603.92) together with accrued interest have already been cancelled.

Yours truly,

H. French

The half-section affected is now under the administration of the Provincial Department of Lands and Mines and in common with other Provincial Lands which are situated in the dry areas, leased for grazing purposes only, at a nominal rental, to one of the few settlers remaining in the district.

Dear Sir;

Re: 19-11-7-44th Meridian.
Provincial Seed Grain and
Joint Relief.
Carl Swartz.

On April 1st, 1920 one Edward Hermanson,
acting as attorney for the above party, obtained the follow-
ing advances for Seed Grain and Joint Relief:--

| | | | |
|--------------------|--------------------|----------|--|
| <u>Relief:</u> | April 1, 1920 | 52.00 | <i>Principal</i>
<i>Int. to 31-3-42</i>

| | | \$690.10 | |
| | Int. to Mar. 31/32 | 358.07 | <u>\$1,048.17</u> |

As security, liens appear on title to
the above described property, which is, however, now vested
in the Crown in the right of the Province, having been taken
over under Tax Recovery proceedings.

Hermanson left the Province many years
ago and was resident for awhile in British Columbia, but his
present whereabouts are unknown.

In 1929 the Department of Municipal
Affairs received an offer for the marginally described land
in a sum of \$986.00, and agreed to accept the same. Accord-
ingly Board Order No. 880 was issued authorizing the dis-
charge of these various liens upon application thereto of a
pro rata share of the purchase price. Unfortunately the

fair sale value and the sale has been approved by the Minister of Municipal Affairs.

--2--

1-3-193.

In addition to the above charges against this property there were taxes outstanding at the time of sale of seven hundred and eighty-five dollars and twenty-three cents (\$885.23) and the district has requested an adjustment of the indebtedness under the liens in order that clear title may be available to the purchaser.

I would recommend that after deducting costs in a sum of five dollars (\$5.00) the balance of the proceeds of sale be distributed pro-rata between the liens and the taxes which will result in the following distribution:

| | |
|--------------------------|---------------|
| Costs | 5.00 |
| Dominion Liens | \$4.00 |
| Joint Relief Liens | 300.00 |
| Taxes | 300.00 |
| | <u>613.00</u> |

I would further recommend that after the sums apportioned to the Dominion and Joint Relief liens have been fully applied thereto, the liens given as security therefore be released from title to the N. S. 31-4-3-4.

As previously stated, the N. S. 31-4-3-4 was considered to represent security for these advances but this land is now shown to be Provincial land and available for lease at a nominal rental. It would not seem desirable to hold these charges against this property, and, I would recommend that the balance of the accounts be written off after application thereto of the sums mentioned above.

Provincial Seed Grain totalling eight hundred and nine dollars and five cents (\$889.05) has already been unconditionally cancelled.

Yours very truly,

Joseph A. Booth. Dominion Seed Grain
Liens and Joint Relief.
Municipal District of Flowery Plains 33.

The above party obtained advances from the Dominion Government in the year 1918 for seed and fodder in a total sum of one hundred and forty-six dollars (\$146.00) against which no repayment was made and the amount outstanding with interest computed to 30th of November, 1944, is three hundred and sixty-two dollars and seventy-five cents (\$362.75).

Booth also obtained Joint Relief through the Municipal District of Flowery Plains during the years 1918 to 1920 inclusive in a total sum of four hundred and thirty-one dollars and fifty-seven cents (\$431.57) against which no repayment was made, and, there is outstanding in this respect a sum of one thousand one hundred and eighty-two dollars and eighty-two cents (\$1,182.82) as at 30th of November, 1944.

As security for these advances liens were filed on title to the N. F. 21-4-8-4 and the accounts were also held as a charge against the N. F. 21-4-8-4 which was apparently the pre-emption entry of Booth.

The debtor failed in his farming operations with the result that title to the N. F. 21-4-8-4 passed to the municipality under tax recovery proceedings and the land has now been sold for a sum of six hundred and twelve dollars and eighty cents (\$612.80) which is reported to represent the

DOMINION LANDS AND CROWN TIMBER OFFICE.

Calgary, July 9.

Sir:

Replying to your communication of the 21st of May last, reference 177888, regarding the application of Mrs. Jennie Cooper, on form ¹⁷⁷¹⁻² ~~217621~~, for the North half of 31-22-1 W. of 4th Mer., as same would not appear to be properly made out.

I now have the honor to inform you that as Mrs. Cooper resides in this city I have written her to call at this office in order that a fresh application may be taken.

It has not been the custom of this office to issue a receipt in the case of a substitute appearing at this office in order to have land entered for by a volunteer transferred to their name, as there has been a receipt already issued to the volunteer, and I understand it is absolutely necessary that said receipt be forwarded to your office together with the instrument, before a transfer will be recognised, and it is assumed that same is for the purpose of noting the assignment thereof and returning to the substitute.

The No. 6243 which appears on the top of the application is the file number against the land. We have not up to the present used agency numbers in connection with South African Warip entry, but, from this time onward we will do so, as it is considered that these entries should take a number the same as other entries.

Answer:

21. Please what are they?

Answer: This homestead is situated on a stretch of land on which homesteaders are faced with a hard proposition of getting water at less than 100 feet and through about 80 feet of sandrock. Owing to this being a great drawback to keeping stock I purchased a well drill & have procured water for most of the farmers on this ridge, this hindered me from doing more work on my homestead which I should otherwise have done. The 10 acres ^{broken} which I paid for to be done this summer would have been done but for the cancellation placed against me.

Application for Patent
N.P. 9 - 55 - 11 - W.4th N.
Homestead Henry Chailier,
5th May, 1911.

According to the evidence obtained in the application for patent, and in view of the Inspector's report the settlement duties required have been completed satisfactorily.

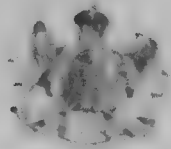

The question I wish to ask is whether the entrant should be called upon to submit further proof of his status as a British Subject.

It will be noted that in his application for entry he claimed to be at that time a British Subject but to have been born in the United States, while in his application for patent he claims to be a British Subject by birth.

While I, myself, do not consider that further proof is necessary I submit the point for your instructions.

Future statements of this account will therefore not be issued until the lienor's present address is obtained.

SENT

1/4 N.E. Sec. 9 Tp. 55 Rge. 11 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: Account of Henri Chailier
S.W. 1/4 33-79-21-W.5th &
N.E. 1/4 9-55-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 seed grain amounting to \$33.00 was advanced to Henri Chailier on the security of the above mentioned lands. No payment has ever been received and the present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$33.00 | \$62.70 | \$95.70 |

Patent was issued in the name of Henri Chailier for the N.E. 1/4 9-55-11-W.4th on the 1st of June, 1917. The S.W. 1/4 33-79-21-W.5th was formerly the second homestead entry of the debtor which also became subject to the lien.

According to an Abstract of Title dated the 13th of January, 1956, the N.E. 1/4 9-55-11-W.4th now stands in the name of a Mr. George Orlecal of Duvernay, Alberta, clear of any encumbrance; while an Abstract of Title dated the 13th of January, 1956, shows the S.W. 1/4 33-79-21-W.5th as registered in the name of a Mr. Rosaire Savard of Jean Cote, Alberta, also clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the lien, it is recommended that the indebtedness be cancelled.
